TO MEET IN ST. LOUIS.

Exposition City Chosen by International Typographical Union.

Washington, Aug. 13.—The International Typographical union today decided unanimously to hold its meeting in 1904 in St. Louis.

The decision to make St. Louis the next place of meeting was reached without opposition, all other candidates withdrawing.

The question was taken up as a special order and invitations from various public bodies of St. Louis, including the world's fair organization, were read.

While the question of selecting a place for the next meeting was in progress, Delegates Gilmour of Montreal and Powell of Ottawa gave notice that those cities would be candidates for the honor in 1905. They stated that there is much opposition in Canada to International unionism and expressed the opinion that a meeting in the Dominion would strengthen the cause.

The convention then resumed consideration of the report of the committee on laws.

TAFT DENIES RUMOR.

He Will Not Succeed Root as Secretary of War.

Manila, Aug. 13.—When the news arrived here by cable that Secretary Root of the war department would be forced to resign his portfolio by his duties as a member of the Alaskan boundary commission about to meet in London, his resignation to take effect under certain conditions in December next if not sooner, a reception was taking place at the palace in honor of Major General Davis, until recently in command of the division of Philippines, and now on the retired list.

Governor Taft, who was present, when shown the statement contained in this dispatch that he would succeed Secretary Root upon his retirement, laughingly replied that the report was untrue. Later on, when a second message was received confirming an alleged offer of the appointment, the governor denied the statement in similar terms.
